CAPABILITY STATEMENT

Transportation | Logistics | Business Solutions

Moving People, Goods & Opportunities

COORDINATED EXPERTISE. READY TO DELIVER.

Veteran-led coordination for transportation, logistics, and business operations.

A responsive partner for agencies, prime contractors, and commercial clients.

WHO WE ARE

Texas-based, veteran-led small business providing coordinated transportation, logistics, and business solutions to government agencies, prime contractors, and commercial clients.

CORE VALUE

Mission-focused leadership, responsive coordination, and practical administrative support that help clients improve visibility, responsiveness, documentation, and day-to-day execution.

CONTRACTING APPROACH

Prime contractor support • Subcontracting • Teaming partnerships • Project-based and ongoing coordination

TRANSPORTATION

Freight support
Dispatch & scheduling
Delivery coordination

LOGISTICS

Supply-chain support
Inventory & vendors
Documentation & tracking

BUSINESS SOLUTIONS

Bookkeeping & reconciliation
Administrative reporting
Back-office operations

CORE COMPETENCIES

- Freight coordination, dispatch, delivery planning, and route support
- Supply-chain, vendor, inventory, and shipment documentation
- Bookkeeping, AP/AR, reconciliations, and administrative reporting
- Back-office support for organized, responsive contract execution

RELEVANT EXPERIENCE

Brandon P. Adams | U.S. Navy CWO3 (Ret.)
21+ years of transferable leadership experience in operational management, supply-chain logistics, procurement, inventory and distribution, budget oversight, quality assurance, and workforce management.

Team expertise: DOT-certified commercial driving plus healthcare-business accounting and administrative experience. This experience supports the company's service model; no prior federal contract performance is implied.

DIFFERENTIATORS

Veteran-led accountability | Responsive coordination
Cross-functional support | Clear documentation
